Capital Area Transportation Authority Request for Proposal 2022-128  
Active Violence / Emergency Response Training and Security Assessment  
CATA Responses to Vendor Questions

VENDOR QUESTIONS AND CATA'S RESPONSES:

- 1. Bid 128-Active Response Training-Are you only looking for basic First Aid/CPR training on this section?**

Yes, along with the rest of the described trainings stated in the RFP.

- 2. For both bids-What is the expected time frame for implementation or delivery of product from time of award?**

The expected completion date is six (6) months from the contract execution date.

- 3. For both bids-Are you interested in piggybacking the award onto an available cooperative contract(s)?**

No.

- 4. Do you want this live exercise in the same manner of reality based training?**

Yes.

- 5. Do you want this reality based training involving marking cartridges (Simunition guns with marking cartridges)?**

As a contractor, if this is the training that you utilize, please describe this in the detailed written project plan and reflect all needed costs associated with your training in the pricing form.

- 6. Who will provide the RBT training equipment, i.e., Simunition guns and ammunition?**

This is the Contractors responsibility to provide the training equipment.

- 7. Who is responsible to provide gear / safety equipment for scenarios**

This is the Contractors responsibility to provide the training equipment.

- 8. For the Active Response Training (ART) portion of the Scope of Work, there is no date range for when these trainings must occur. Can CATA please provide these dates?**

The expected completion date is six (6) months from the contract execution date.

- 9. Will all the trainings and exercises be conducted during normal business hours?**

Dates and times will be agreed upon with awarded Contractor.

- 10. For the 2 live active violence bus exercises, how many participants are expected to participate in each of these exercises?**

This will be available to all employees who want to attend and watch the exercise. A possibility of 100 – 150 people.

- 11. For the Security Assessments, can you clarify if CATA wants an individual report for each facility for a total of 3 copies or 3 copies of a single combined report that includes all three of the facilities?**

A single combined report is sufficient with 3 copies.

- 12. Will CATA be able to provide building plans and figures for each of the buildings as part of the Security Assessments?**

Yes, site plans have been added along with a link to a virtual tour. (*See Attachment A*)

- 13. What are the due dates for the Security Assessment Reports?**

The expected completion date is six (6) months from the contract execution date.
