CATA Responses to Vendor Questions

VENDOR QUESTIONS AND CATA'S RESPONSES:

- 1. Which specific make/model AED are you looking to purchase? And if you do not have one in mind, is there a certain feature that you'd like to have on the unit? We sell 6 different kinds and they are all different in certain ways.**

We do not have a specific brand or model in mind. As stated in the scope, these must, at a minimum, meet FDA standards and must be installed by vendor.

- 2. Bid 129-Are you open to recommendations for First Aid kits based on availability and how would you like options to be provided as these will be customized based on your requirements?**

No.

- 3. Additionally are you looking for ongoing service for these or one time buy?**

This is a one-time purchase.

- 4. Bid 129-AED's, one time buy or recurring service on the unit based on a lease? Would you like options provided here? Is there a specific brand you want quoted?**

CATA will respond to these questions individually.
