CATA Responses to Vendor Questions

VENDOR QUESTIONS AND CATA'S RESPONSES:

As stated in the RFP, written questions were due to CATA by September 3, 2021 @ 2:00 P.M. Eastern Time. The question below was submitted to CATA before the stated deadline. Unfortunately, the question was overlooked, resulting in this amendment being released.

- 1. Our question pertains to the sites you listed that need connections. You listed a colocation site, but not an address so we can't provide a quote to this site. We also do not have offer colocation services. Does this exclude us as a vendor for the rest of the services listed since we are able to bid on only a portion of the RFP.**

This does not exclude you as a vendor from bidding on the services.
