

EXHIBIT A
SCOPE OF WORK

Contractor shall furnish all plant, labor, tools, and materials necessary to power wash the exterior of the CATA Administrative Building, located at 4615 Tranter Street, Lansing, MI 48910.

CATA is unable to provide the dimensions of the building. A drawing of the CATA Administrative Building highlighting the area related to this solicitation is attached as **Attachment 1**.

The Contractor will be responsible to schedule a visit to the facility to determine the square footage and exterior material composition, if desired.

The Contractor shall take care as to not remove paint when possible.

The Contractor shall perform the following:

1. Provide the Project Manager with a work schedule
2. Pretreat stains and dirty areas.
3. Power wash administration area located on the west side of building, and overhead door 2 through overhead door 9, located on north side of building (see drawing attached as Attachment 1).
4. Work Hours: 8:00 a.m. to 5:00 p.m., Monday through Friday.
5. The main entrance to the CATA Administrative Building facing Tranter Street will need to be done after 5:00 p.m.
6. Work areas must have safety barrier for vehicle traffic and employee protection.
7. All windows will need to be cleaned after power washing is completed.
8. Contractor will be responsible to clean up at the end of each work day.
