

**ADDENDUM # 1 TO CATA ITB #2012-203
CAPITAL AREA TRANSPORTATION AUTHORITY
CTC CONTROLS UPGRADE**

Vendor Questions and Answers

Each question received from interested vendors in regard to the above Invitation To Bid (ITB) is consecutively numbered below and labeled "Q". Below each question is CATA's official corresponding answer labeled "A".

This Addendum is enclosed within this correspondence, and is also available on the CATA website at www.cata.org, located under the heading "Doing Business With CATA".

1. **Q: Is it acceptable to bid if the following ITB requirement is not met?**

Section 230090-4, part 1.6, sentence E; which reads as follows:

"Only bidders having a minimum of five "Niagara AX Certified" Engineers that have successfully completed an accredited Niagara AC certification training course shall be considered qualified. Copies of actual certificates may be requested and must be supplied within 24 hours of the request."

A: CATA will not exclude any bids due to this language but will consider all qualifications during the bid review and award of this project.

2. **Q: What is the estimated value or budget range for the HVAC project at the CATA Transportation Center?**

A: CATA is prepared to spend a justifiable amount to purchase the specified system.
