

**ADDENDUM # 1 TO CATA RFP #2012-107
CAPITAL AREA TRANSPORTATION AUTHORITY
BIKE RACK PURCHASE**

Cost of Project

The Pricing Proposal referred to on Page 9, Section II-I of this request for proposal may be quoted with or without the inclusion of the costs associated with installation. If you choose not to quote the price to have the Bike Rack installed at the CATA facility and any travel charges associated with installation, please state this declaration on your pricing spreadsheet. The evaluation process for installation will be excluded as part of the overall review.

Please also refer to the information listed within the Bike Rack Purchase Specification included with this RFP which is available on the CATA website at www.cata.org, and located under the heading "Doing Business With CATA".
