“REVISED” EXHIBIT A
SCOPE OF WORK

BASIS OF AWARD: The award of this order is based on the lowest responsive and responsible bidder(s) as determined by the Capital Area Transportation Authority (CATA). The CATA has the right to make award(s) on the basis of each individual item or any combination of items, or in the aggregate of all items.

Please Note: This bid package and any amendments are available at www.cata.org. Please continue checking the website for any updates or amendments. If you have received this bid package via email, any amendments will also be sent to you via email.

1. General Provisions

The vehicle must comply fully with the specifications of the order, and ensure the vehicle is free from defects.

2. Objectives

CATA considers the Contractor’s ability to plan, communicate and execute this procurement as a requirement of the award of this contract.

3. Service Period

CATA intends to award a firm, fixed price contract.
